Project Title: Kern Fan Authority Integration

Project Location (include county): Kern County, California

Project Description: Kern Fan Authority (KFA) member districts seek to integrate their various water management activities to achieve more efficient operations and flexible response capabilities. Over the last decade, the member districts of the KFA have developed various water management and groundwater banking programs, and each has its own water conveyance, recharge, extraction, and storage infrastructure. By integrating their respective water management activities, Rosedale-Rio Bravo Water Storage District, Kern Delta Water District, Henry Miller Water District, and Buena Vista Water Storage District will be able to maximize their ability to exchange, transfer, recharge, recover, and operate individual water management activities. This integration would create opportunities for the reciprocal use of facilities and infrastructure among the four members and would not require any new construction. In addition, this integration would be limited by the existing capacity and operational constraints of the individual programs of each agency.

This is to advise that the Buena Vista Water Storage District has approved the above described project on
(☐ Lead Agency or ☒ Responsible Agency)

and has made the following determinations regarding the above described projects.
(Date)

1. The project [☐ will ☒ will not] have a significant effect on the environment.
2. ☐ An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
☒ A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [☐ were ☒ were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [☐ was ☒ was not] adopted for this project.
5. A statement of Overriding Considerations [☐ was ☒ was not] adopted for this project.
6. Findings [☐ were ☒ were not] made pursuant to the provisions of CEQA.

18457

This is to certify that the final EIR with comments and responses and record of project approval, or the Negative Declaration, is available to the General Public at:

849 Allen Road, Bakersfield, CA 93314
