**North Sierra Highway Waterline – Mitigated Negative Declaration**

Dear Mr. Grah:

The California Department of Transportation (Caltrans) District 9 appreciates the opportunity to review the subject project, which includes a new waterline alongside North Sierra Highway/US 395. We offer the following:

- **15. Transportation** – Given the proximity to US 395, traffic control - perhaps including a shoulder closure, might be necessary. For further discussion, please contact Stephen Winzenread at (760) 872-5222 or at [stephen.winzenread@dot.ca.gov](mailto:stephen.winzenread@dot.ca.gov).

We value our cooperative working relationship with the City regarding impacts upon the state transportation system. Feel free to contact me at (760) 872-0785 or at [gayle.rosander@dot.ca.gov](mailto:gayle.rosander@dot.ca.gov), with any questions.

Sincerely,
