**Project Description:** (please use a separate page if necessary)

The project would replace an existing 165,000 square feet of "factory outlet" uses (American Tin Cannery and warehouse buildings) with a new hotel and commercial uses. The hotel and commercial uses would provide 225 guest rooms in two primary guest wings (Family/Group Wing and Executive Wing) with a restaurant and bars, meeting and gathering spaces, spa and fitness center and approximately 20,000 square feet of street retail uses along the Ocean View Boulevard frontage. No specific businesses or end users of the retail space have been identified. Project would provide subterranean and surface parking lots to park 304 vehicles.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
