Present Land Use/Zoning/General Plan Designation:

Residential Rural

Project Description:

Note: The state Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

January 2008

A request by John and Etta Osborne and AT&T Mobility for a Conditional Use Permit (DRC2019-00071) to allow for the construction and operation of a wireless communications facility consisting of twelve (12) panel antennas, thirty-six (36) remote radio units, eight (8) surge suppression units, two (2) microwave dishes, and associated equipment and hardware, all within an approximately 24-foot wide, 28-foot tall cylinder portion of a new 62-foot tall faux elevated water tank to be located within a 28-foot by 55-foot lease area, surrounded by a 8-foot tall wooden fence enclosure. The enclosed lease area also includes a 118-square-foot equipment shelter and a diesel standby emergency generator. The proposed project will result in the disturbance of approximately 16,000 square feet (including utility trenching and access road improvements) on an approximately 19.50-acre parcel. The proposed project is within the Residential Rural land use category and is located at 4240 Rancho Road, approximately 4.5 miles east of the community of Templeton. The site is in the El Pomar-Estrella Sub Area of the North County Planning Area.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
 If you have already sent your document to the agency please denote that with an "S".
