Project Description: (please use a separate page if necessary)

The County is proposing to increase the pedestrian accessibility of North Beale Road by constructing the North Beale Road Complete Streets Project. As part of this effort, the County must make drainage improvements along the corridor, adding two new storm drains that divert water from North Beale road and transmit it to the southwest corner of the intersection on North Beale Rd and Linda Ave, where the Linda drainage is located.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
