NOTES/COMMENTS:

TT 17046 has met all of the Department of Fish and Game requirements for burrowing owl and Mohave ground squirrel needed to start grading the project site. The grading shall start prior to May 10, 2007 or another 30-day burrowing owl survey may be required. If either species is found on site prior to or during construction the Department must be notified.

This is a copy of the FAXed information sent to the City of Victorville-Planning Department.

Please send me the name of the biologist that will be on site as required in Permit number 2081-2005-017-06.

If you have any questions, please call me at (760) 955-8139.
