QUALITY ACT FOR THE SR 49 SIDEWALK GAP
CLOSURE PROJECT**

RESOLUTION NO. 22-22

The following resolution was duly passed by the Placer County Transportation Planning Agency at a regular meeting held May 25, 2022 by the following vote on roll call:

AYES: Baker, Broadway, Burruss, Dowdin Calvillo, Houdesheldt, Joiner, Jones, Wilkins

NOES: None

ABSENT: None

WHEREAS, the Placer County Transportation Planning Agency ("PCTPA") is proposing, in coordination with Caltrans and the South Placer Regional Transportation Authority ("Authority"), the construction of the SR 49 Sidewalk Gap Closure Project ("Project") to construct sidewalk and accessible curb ramps at various locations between post miles 3.7 and 7.5 along State Route 49 within the County of Placer and the City of Auburn; and

WHEREAS, the Authority Board of Directors has directed staff to proceed with the actions necessary for the acquisition of real property required for the construction of the Project; and

WHEREAS, the Authority was formed to provide for the coordinated planning, design, financing, acquisition, determination of the timing of construction, and construction, of certain transportation improvements located in the area of jurisdiction of the Authority; and

WHEREAS, the Authority is authorized to acquire real property in connection with the construction of the Project; and

WHEREAS, Caltrans is the Lead Agency pursuant to the California Environmental Quality Act (CEQA) and both PCTPA and the Authority are Responsible Agencies pursuant to CEQA; and

WHEREAS, the Project is a project under CEQA, and

WHEREAS, Caltrans has previously determined that the project is Categorical Exempt pursuant to CEQA and received approval of a Categorical Exclusion under NEPA; and

WHEREAS, Section 15301(c) (Existing Facilities) of the State CEQA Guidelines (Chapter 3 of Division 6 of Title 14 of the California Code of Regulations) provides an exemption from CEQA for projects involving the minor alteration of existing public or private facilities when the alteration involves negligible or no expansion of an existing use.

NOW, THEREFORE, the Board of Directors of the Placer County Transportation Planning Agency hereby finds this Project is exempt from CEQA pursuant to State CEQA Guidelines Section 15301 and staff is directed to file a notice of exemption.

Finding: The Project is exempt from CEQA pursuant to section 15301(c) of the State CEQA Guidelines.

Evidence: The Project is exempt from CEQA under State CEQA Guidelines Section 15301(c). This exemption applies to the minor alteration of existing public facilities involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination. The project consists of constructing sidewalk to fill in gaps in the sidewalk network, accessible curb ramps, and associated improvements at various locations between post miles 3.7 and 7.5 (between Interstate 80 and Dry Creek Road) along State Route 49. The proposed improvements would include the minor alteration of existing facilities within State, Placer County, and City of Auburn right-of-way, involving no expansion of existing uses. No special circumstances exist that would create a reasonable possibility that the proposed project will have a significant adverse effect on the environment. Therefore, the project is exempt.
