NOTICE OF DETERMINATION
(Public Resources Code section 21108)

SCH#: 2019120471
File Ref: PRC 3913.1; W30222
Item: 01

Title: California Resources Corporation Grubb Lease (PRC 3913.1) Intake/Outfall Structures Decommissioning Project

Proponent: California Resources Corporation

Location: On the shoreline of the Pacific Ocean, approximately 1.3 miles east-southeast of Pitas Point, Ventura County.

Description: The Project proposes to remove three offshore 12-inch-diameter seawater intake and discharge pipelines, the shoreline vault structure down to minus 5 feet below the sand line, and three onshore seawater pipelines (if feasible). The 36-inch-diameter steel casing around the three onshore pipelines would be abandoned in place along with any portion of the internal pipelines that remain. The shoreline vault void would then be reconstructed to match the existing armored rock contour along the Pacific Coast Highway. The State Lands Commission action is an amendment of a 5-year General Lease – Right-of-Way Use extending the lease term to January 30, 2021.

This is to advise that the California State Lands Commission, as ☒ Lead Agency ☐ Responsible Agency, approved the above described project on February 4, 2020, and made the following determinations regarding the project.

- 1) The project ☐ will ☒ will not have a significant effect on the environment.
- 2) A ☒ Mitigated Negative Declaration (MND) was adopted for this project pursuant to the provisions of CEQA.
- 3) Mitigation measures ☒ were ☐ were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan ☒ was or ☐ was not adopted for this project.
- 5) A Statement of Overriding Considerations ☐ was ☒ was not adopted for the project.
- 6) Findings ☐ were ☒ were not made pursuant to the provisions of CEQA.

The Mitigated Negative Declaration (MND) and Mitigation Monitoring Program prepared for this project by the California State Lands Commission and adopted on February 4, 2020, and the record of project approval, may be examined at the above shown California State Lands Commission Sacramento office address.

State of California - Department of Fish and Wildlife
2020 ENVIRONMENTAL FILING FEE CASH RECEIPT
DFW 753.5a (REV. 12/01/19) Previously DFG 753.5a

NOTICE

Each project applicant shall remit to the county clerk the environmental filing fee before or at the time of filing a Notice of Determination (Pub. Resources Code, § 21152; Fish & G. Code, § 711.4, subdivision (d); Cal. Code Regs., tit. 14, § 753.5). Without the appropriate fee, statutory or categorical exemption, or a valid No Effect Determination issued by the California Department of Fish and Wildlife (CDFW), the Notice of Determination is not operative, vested, or final, and shall not be accepted by the county clerk.

COUNTY DOCUMENTARY HANDLING FEE

The county clerk may charge a documentary handling fee of fifty dollars (\$50) per filing in addition to the environmental filing fee (Fish & G. Code, § 711.4, subd. (e); Cal. Code Regs., tit. 14, § 753.5, subd. (g)(1)). A county board of supervisors shall have the authority to increase or decrease the fee or charge, that is otherwise authorized to be levied by another provision of law, in the amount reasonably necessary to recover the cost of providing any product or service or the cost of enforcing any regulation for which the fee or charge is levied (Gov. Code, § 54985, subd. (a)).

COLLECTION PROCEDURES FOR COUNTY GOVERNMENTS

Filing Notice of Determination (NOD):

- ☐ Collect environmental filing fee or copy of previously issued cash receipt. *(Do not collect fee if project applicant presents a No Effect Determination signed by CDFW. An additional fee is required for each separate environmental document. An addendum is not considered a separate environmental document. Checks should be made payable to the county.)*
- ☐ Issue cash receipt to project applicant.
- ☐ Attach copy of cash receipt and, if applicable, previously issued cash receipt, to NOD.
- ☐ Mail filing fees for **CRP** document to CDFW prior to filing the NOD or equivalent final approval (Cal. Code Regs. Tit. 14, § 753.5 (b)(5)). The CRP should request receipt from CDFW to show proof of payment for filing the NOD or equivalent approval. Please mail payment to address below made attention to the Cash Receipts Unit of the Accounting Services Branch.

If the project applicant presents a **No Effect Determination** signed by CDFW, also:

- ☐ Attach No Effect Determination to NOD *(no environmental filing fee is due)*.

Filing Notice of Exemption (NOE) *(Statutorily or categorically exempt project (Cal. Code Regs., tit. 14, §§ 15260-15285, 15300-15333))*

- ☐ Issue cash receipt to project applicant.
- ☐ Attach copy of cash receipt to NOE *(no environmental filing fee is due)*.

Within 30 days after the end of each month in which the environmental filing fees are collected, each county shall summarize and record the amount collected on the monthly State of California Form No. CA25 (TC31) and remit the amount collected to the State Treasurer. Identify the remittance on Form No. CA25 as "Environmental Document Filing Fees" per Fish and Game Code section 711.4.

The county clerk shall mail the following documents to CDFW on a monthly basis:

- ✓ A photocopy of the monthly State of California Form No. CA25 (TC31)
- ✓ CDFW/ASB copies of all cash receipts (including all voided receipts)
- ✓ A copy of all CDFW No Effect Determinations filed in lieu of fee payment
- ✓ A copy of all NODs filed with the county during the preceding month
- ✓ A list of the name, address and telephone number of all project applicants for which an NOD has been filed. If this information is contained on the cash receipt filed with CDFW under California Code of Regulations, title 14, section 753.5, subdivision (e)(6), no additional information is required.

DOCUMENT RETENTION

The county shall retain two copies of the cash receipt (for lead agency and county clerk) and a copy of all documents described above for at least 12 months.

RECEIPT NUMBER

- # The first two digits automatically populate by making the appropriate selection in the County/State Agency of Filing drop down menu.
- # The next eight digits automatically populate when a date is entered.
- # The last three digits correspond with the sequential order of issuance for each calendar year. For example, the first receipt number issued on January 1 should end in 001. If a county issued 252 receipts for the year ending on December 31, the last receipt number should end in 252. CDFW recommends that counties and state agencies 1) save a local copy of this form, and 2) track receipt numbers on a spreadsheet tabbed by month to ensure accuracy.

DO NOT COMBINE THE ENVIRONMENTAL FEES WITH THE STATE SHARE OF FISH AND WILDLIFE FEES.
