Agricultural/Working Land, Residential

Project Description: (please use a separate page if necessary)

The California Department of Transportation (Caltrans) proposes to dig out and repair localized areas of severe pavement failure and apply a preventive rubberized hot-mix asphalt overlay on the roadway surface on State Route 140 in Mariposa County between post miles 12.0 and 22.1. The project would also remove and replace three drainage inlets, four culverts, one flared-end section, and one sinkhole within the City of Mariposa. The project would also remove and replace six culverts and one sinkhole outside the city, and remove and replace a dike, rumble strips, and guardrails. Shoulder backing would be placed throughout the project limits. The project would also install Americans with Disabilities Act curb ramps at two intersection corners to meet current standards.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
