Dear Ms. Stowers,

The California Department of Transportation (Department) appreciates the opportunity to review and comment on the Gill Women's Medical Center project. The Department has the following comment:

A Traffic Impact Study (TIS) is necessary to determine impacts to State facilities. The following locations should be included in the TIS:

- I-5/Eight Mile Road Interchange Ramps
- SR-99/Eight Mile Road Interchange Ramps
- SR-99/Armstrong Road Interchange Ramps
- SR-99/Morada Lane Interchange Ramps

The TIS should be submitted to Caltrans District 10 for review and comment.

If you have any questions, please contact Joshua Swearingen at (209) 948-7142 (email: Joshua.swearingen@dot.ca.gov) or me at (209) 941-1921. We look forward to continuing to work with you in a cooperative manner.

Sincerely,
