(Fees Effective 01-01-2020)

**NOTICE OF AVAILABILITY (NOA) OF A
DRAFT ENVIRONMENTAL IMPACT REPORT (EIR) FOR THE
MOUNTAIN VIEW HIGH SCHOOL LIGHTS AND PUBLIC ADDRESS SYSTEM PROJECT (SCH# 2020010296)
AND PUBLIC COMMENT PERIOD**

Project Description: The proposed project is the installation and operation of field lights and an upgraded public address (PA) system at the MVHS track and athletic field. The project proposes to install four pole-mounted field lights and 12 speakers on the east and west sides of the field. The field lights would reach 90 feet in height and the speakers would range from 12 to 18 feet in height. The field lights would provide for safe and flexible nighttime use of the field for various sporting and marching band activities, including practices and games. The field lights would also allow for evening special events, such as commencement exercises. A select number of nighttime events would include the use of the PA system. The PA system will also be used for sporting events, marching band, and school activities during daytime hours. The use of the stadium field lights and public address system would be guided by the Mountain View Los Altos High School District's (District) Board Policy 7325 and Administrative Regulations 7325.

Location: The project is located at the southwest corner of the Mountain View High School campus at 3535 Truman Avenue, Mountain View, CA 94040 (see Figure 1 next page).

The proposed project will have potentially significant environmental effects on Air Quality, Biological Resources, Cultural Resources, Geology and Soils and Hazardous Materials. The California Environmental Quality Act (CEQA) requires this notice to disclose whether any listed toxic sites are present at the project location. The project site is not listed on any toxic sites databases.

The Draft EIR and documents referenced in the Draft EIR are available for review online at the District's website at <https://www.mvla.net/Departments/Business-Services/Facilities/Stadium-Lights-Project/index.html>. Usually hard copies would be available at the following locations:

Mountain View Los Altos High School District Office
1299 Bryant Avenue
Mountain View, CA 94040
(650) 940-4650

Mountain View High School Administration Office
3535 Truman Avenue
Mountain View, CA 94040
(650) 940-4600

Due to the current situation under the coronavirus related Shelter-in-Place policy, this location is closed to the public. Therefore, if requested, a hard copy will be mailed to you. Please allow time for printing and delivery.

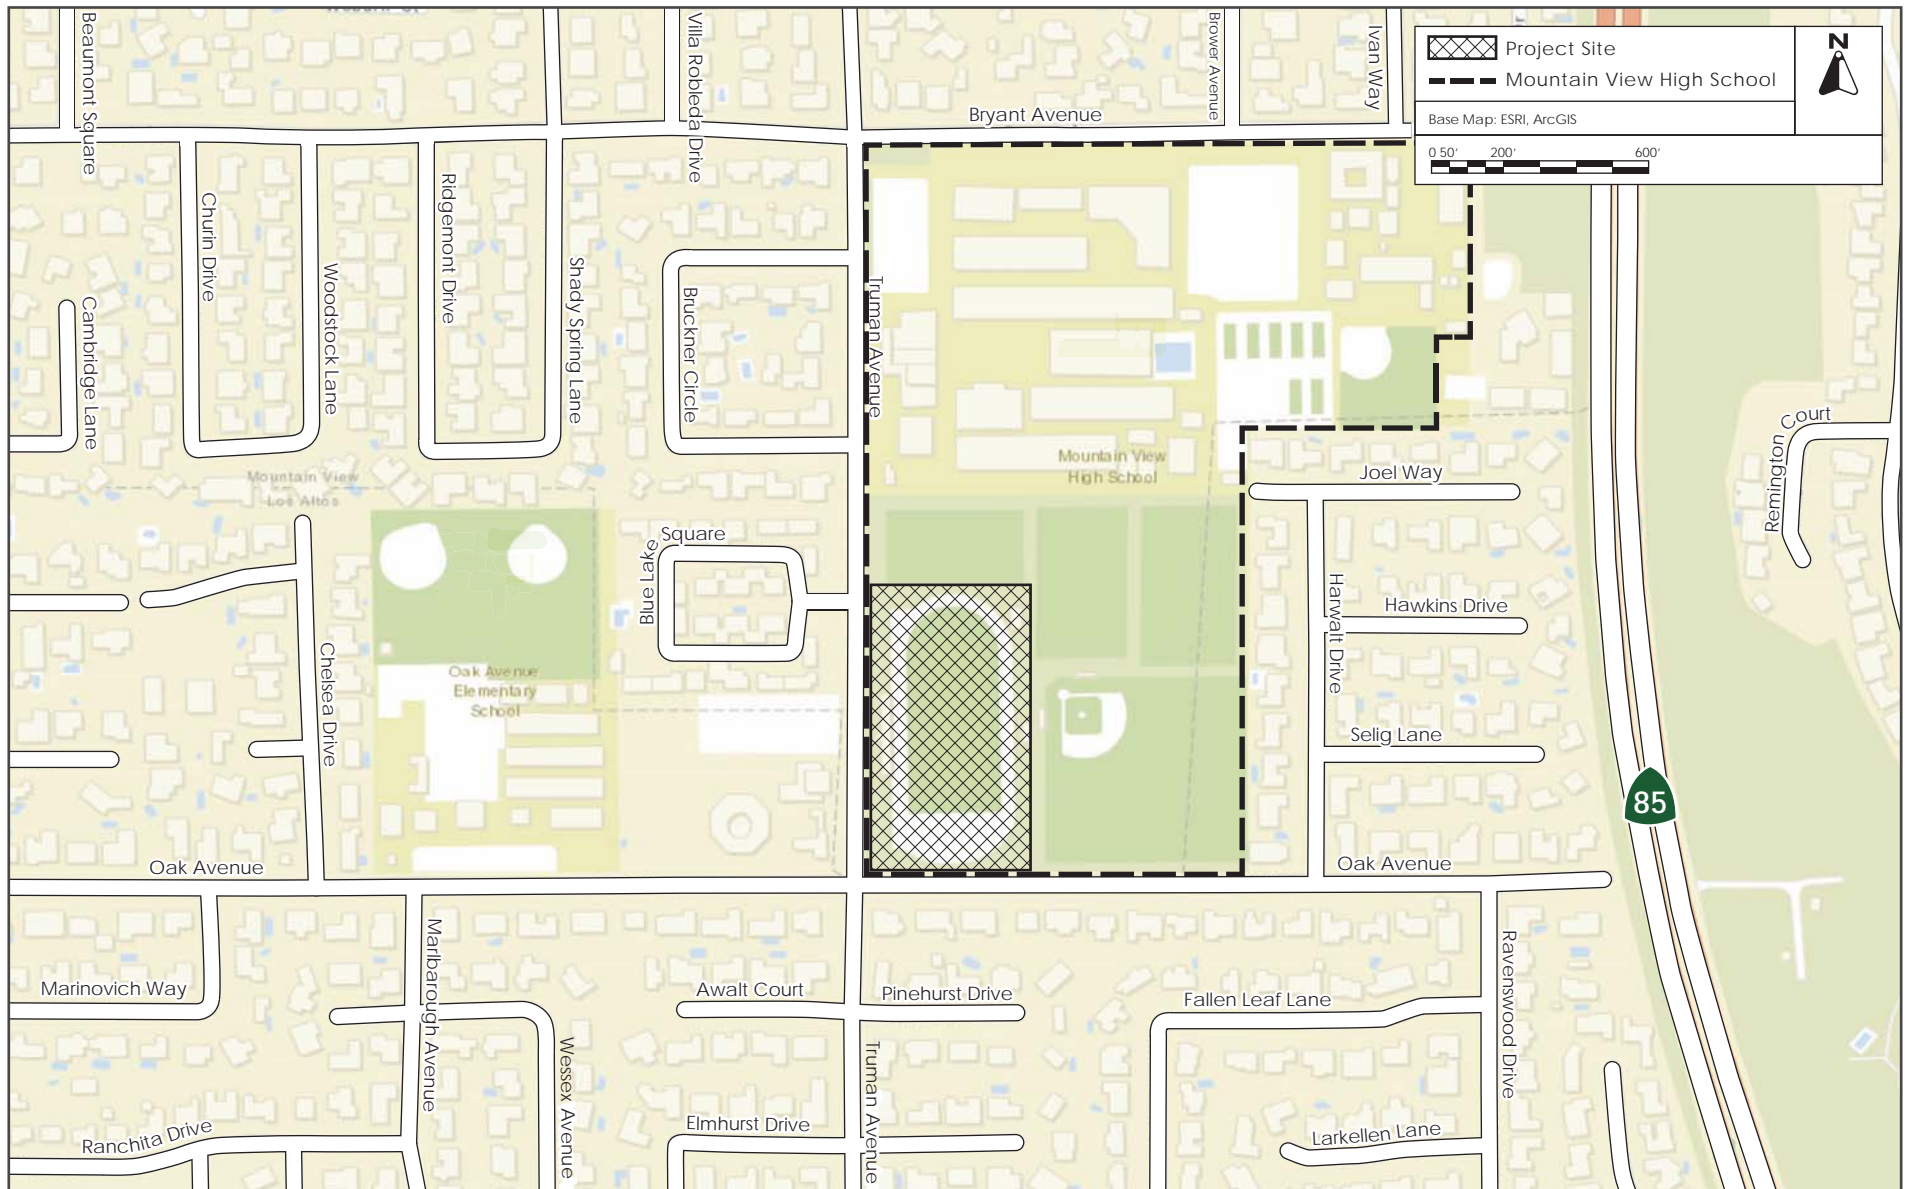

The public review period for this Public Review Draft EIR begins on **Friday, April 17, 2020** and ends on **Monday, June 1, 2020**. Written comments must be received at the District Office by **5:00 p.m. on June 1, 2020** to be addressed as part of the formal EIR review process. Comments and questions should be referred to Mike Mathiesen, Associate Superintendent of Business Services at the District via e-mail: mike.mathiesen@mvla.net, or by regular mail at the mailing address listed for the District Office, above (send to the attention of Mike Mathiesen).

Following the close of the public review period, the District will prepare a Final Environmental Impact Report that will include responses to comments received during the review period. At least ten days prior to the public hearing on the EIR, the District's responses to comments received during the public review period will be available for review and will be sent to those who have commented in writing on the EIR during the public review period.

Date: 4/13/2020
