Re: Notice of Availability – Draft Initial Study with Proposed Negative Declaration– Corralitos Creek Bridge ADA Project

Dear State Clearinghouse:

This purpose of this letter is to notify that the California Department of Transportation (Caltrans) has prepared an Initial Study with Proposed Negative Declaration for public review and comment. Attached with this letter includes a Notice of Completion & Environmental Document Transmittal, Project Summary, and Draft Environmental Document for your use and distribution for public and agency review. As instructed in the document, the comment period ends **February 25, 2020**.

Please respond via email receipt of this letter with the state clearinghouse number assigned to this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Nicole Kim".
