Subject: Lemoore Union Elementary School District New Elementary School

To Whom It May Concern:

The Lemoore Union Elementary School District has decided to undertake the following project: New Elementary School in Lemoore, in Kings County, California. School Site Solutions, Inc. is conducting a study to determine if the project might affect cultural resources. Please review the Sacred Lands File for any Native American cultural resources that may be within or adjacent to the project area. The project area is located within portions of Section 4 of Township 19 South, Range 20 East of the Mount Diablo Baseline, as depicted on the accompanying portion of the USGS 7.5-minute topographic quadrangle of *Lemoore, Calif (2018)*.

We also request a list of Native American individuals and organizations that may have knowledge of cultural resources in the project area. If you have any questions, please contact me at the address and phone number below or via e-mail < john@schoolsitesolutions.com >. I look forward to hearing from you. Thank you.

Sincerely,

C. John Dominguez
