

County Sanitation District No. 2 of Los Angeles County
1955 Workman Mill Road
Whittier, CA 90601

ORIGINAL FILED

MAR 12 2020

LOS ANGELES COUNTY CLERK

NOTICE OF DETERMINATION

To: County Clerk, County of Los Angeles
12400 East Imperial Highway
P.O. Box 1208
Norwalk, CA 92650

Subject: Filing of Notice of Determination in Compliance with Section 21152 of the Public Resources Code

Project Title: Joint Outfall "F" Unit 3A Trunk Sewer Rehabilitation Project (Project)

SCH Number: 2020019047

Project Location: Levees of the San Gabriel River, Cities of Bellflower and Cerritos, Los Angeles

Project Description: The County Sanitation District No. 2 of Los Angeles County (District) proposes the rehabilitation of a portion of the Joint Outfall F Unit 3A, a reinforced concrete pipe by constructing concrete encasements around the existing siphon structure. Due to the condition of the existing siphon structure, the District proposes to rehabilitate two locations of the Joint Outfall F Unit 3A located on either side of the San Gabriel River (River) in order to protect the siphon that crosses the River.

Contact Person: Jodie Lanza, P.E., Supervising Engineer, Planning Section
(562) 908-4288, x2707, jlanza@lacsdc.org

On March 11, 2020, the Board of Directors of the District approved the above Project and made the following determinations regarding the Project:

1. The Project will not have a significant effect on the environment.
2. A Final Mitigated Negative Declaration (MND), which reflects the independent judgment and analysis of the District, was prepared for this Project pursuant to the provisions of the California Environmental Quality Act.
3. Mitigation measures are a condition of approval of this Project and a Mitigation Monitoring and Reporting Program has been approved for the Project.

The adopted Final MND is available to the general public at the District's Joint Administrative Office located at 1955 Workman Mill Road, Whittier, California 90601.

Date: March 11, 2020

LOS ANGELES COUNTY CLERK

MITIGATED NEGATIVE DECLARATION

PROPOSED
 FINAL

Name of Project: Joint Outfall "F" Unit 3A Trunk Sewer Rehabilitation Project

Project Location: The project is located at the levees of the San Gabriel River in the cities of Bellflower and Cerritos, Los Angeles.

Entity or Person Undertaking Project: County Sanitation District No. 2 of Los Angeles County

Project Description: The County Sanitation District No. 2 of Los Angeles County (District) proposes the rehabilitation of a portion of the Joint Outfall F Unit 3A, a reinforced concrete pipe by constructing concrete encasements around the existing siphon structure. Due to the condition of the existing siphon structure, the District proposes to rehabilitate two locations of the Joint Outfall F Unit 3A located on either side of the San Gabriel River (River) in order to protect the siphon that crosses the River.

Findings: The project, with proposed mitigation, will not have a significant effect on the environment. On the basis of the whole record, including the Initial Study and all comments received, the Board of Directors of County Sanitation District No. 2 of Los Angeles County find that there is no substantial evidence that the project, with proposed mitigation, will have a significant effect on the environment, and that this Mitigated Negative Declaration reflects the independent judgment and analysis of County Sanitation District No. 2 of Los Angeles County.

Initial Study: An Initial Study of this project was undertaken and prepared in accordance with the Local Procedures Implementing the California Environmental Quality Act (CEQA) as adopted by the Sanitation Districts for the purpose of ascertaining whether this project might have a significant effect on the environment. A copy of such Initial Study is attached hereto and incorporated herein by reference. The Initial Study documents the reasons supporting the above findings.

Mitigation Measures: The project incorporates mitigation measures to avoid potentially significant impacts as described in the attached Initial Study and Mitigation Monitoring and Reporting Program.
