**Present Land Use/Zoning/General Plan Designation:**

County Right of Way and Agricultural (A-1)

**Project Description:** (please use a separate page if necessary)

The County of Merced (County) proposes to replace the Arroya Avenue structure (Bridge No. 39C-0275) over Delta Canal, located approximately 0.9 mile north of State Route 152, near the community of Dos Palos in Merced County. The County proposes to replace the existing single-lane structure with a two-lane bridge to accommodate existing and future traffic volumes. In addition, the existing bridge would be lengthened to correct a hydrologic restriction. The new bridge would include barrier rails to prevent vehicles from leaving the bridge and entering the canal. The purpose of the project is to: 1) remove the existing structure and reconstruct a bridge that will provide adequate and safe vehicle access; and 2) provide a new structure that will be wider and meet current design standards for the traffic utilizing this roadway.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

## Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X".  
If you have already sent your document to the agency please denote that with an "S".
