Project Title: Enchanted Hills Park (ADPR) 19-05193

Lead Agency:

City of Perris
Planning Division
135 North "D" Street
Perris, California 92570
(951) 943-5003 ext. 279
Contact: Nathan Perez, Senior Planner

Project Location - City: Perris

Project Location - County: Riverside

Project Location - Specific: Specifically, the approximately 22.81-acre study area is bound by Metz Road to the north, Watson Road to the south, residential homes that front Altura Drive to the east, and Carter Drive to the west. The Project site includes Assessor's Parcel Numbers (APNs) 326-072-004, 326-062-017, 326-071-001, 326-071-002, 326-072-001, 326-072-002, 326-072-003, 326-072-004, 326-072-005, and 326-073-001. It is noted that the City has not been able to acquire a single parcel (APNs 326-072-001) in the northern portion of the greater Project area; thus, this parcel is not included in the Project. However, to be conservative, this parcel was included as part of the environmental evaluation.

Description of the Project: The Enchanted Hills area was recognized by the City as a park-deficient community and subsequently, the City applied and was awarded funds through the California Department of Housing and Community Development to assist in the acquisition of parcels to create a park in the Enchanted Hills area of the City. Currently, the City has applied for a Proposition 68 – Statewide Park Development and Community Revitalization Program competitive grant to construct the park. Through a series of community outreach efforts, the City prepared a conceptual plan for the Project. The plan includes a combination of passive and active recreational features as discussed below.

The proposed Project consists of an active sports park. While many natural features of the site would be retained, park development would include the introduction of hardscape and impermeable surfaces as well as turf and landscaped areas. The park plan includes a multi-use field, child play area, toddler play area, restrooms, picnic shelters, hardscape, parking lots, bridges, trails, a basketball court, BMX course improvements, art rocks, a splash pad, a skating area, and a zip line. Additionally, the Project would retain and incorporate some of the existing site features, such as Owl Rock, and formalize the unofficial BMX course that exists on the site. There are three proposed entrances to the site; one at the intersection of Weston Road and Diana Street, and two entrances that form a horse-shoe drive adjacent to and accessible from Metz Road. The Project would include on-site signing and road striping, improve Weston Road and Metz Road to their full local street alignment along the Project boundary, and provide appropriate sight distance measures in accordance with Caltrans standards. The Project also includes the undergrounding of the electrical transmission line that traverses the southern portion of the site and while the exact alignment is unknown at this time, the alignment will avoid the riparian area that is to be preserved in its natural state.

The Project includes the following discretionary actions by the City: adoption of the Mitigated Negative Declaration in compliance with the requirements of the California Environmental Quality Act (CEQA). Copies of all relevant material, including the project specifications, are available for review at the City of Perris Planning Division, City Hall, and Senior Center located at the addresses stated below.

**Address Where a Copy of the Mitigated Negative Declaration and Documents Incorporated by Reference are Available

Monday-Friday 8:00 AM to 6:00 PM

Public Review Period: The Initial Study/Mitigated Negative Declaration is being circulated for a **30-day review period**, which will commence on **January 29, 2020 and close on February 27, 2020**. Due to the time limits mandated by State Law, your comments must be received at the earliest date, but not later than February 27, 2020. Please send your comments to Nathan Perez, City of Perris Planning Division, 135 North "D" Street, Perris, California 92570-2200. Mr. Perez may be reached by phone at (951) 943-5003 ext. 279, or via e-mail at nperez@cityofperris.org.

Hazardous Materials Statement: The Project site is not listed on any list of hazardous waste sites prepared pursuant to Government Code Section 65962.5.
