### What's Being Planned:

The California Department of Transportation (CALTRANS) is considering the "108 Thin Blanket II" project, which proposes to rehabilitate the pavement by constructing a thin blanket overlay on SR 108 from the Tuolumne/Mono County line to 5.3 miles west of US Route 395.

**Why This Ad:** CALTRANS has studied the effects this project may have on the environment. Our studies show it will not significantly affect the quality of the environment. The report that explains why is called a proposed Mitigated Negative Declaration (MND) and Initial Study. This notice is to tell you of the preparation of the report, its availability for you to read and offer comments, and to offer the opportunity for a public hearing.

**What's Available:** Maps, the Proposed MND, and the Initial Study for the 108 Thin Blanket II project are available for review and copying on weekdays at the CALTRANS District Office located at: 500 S. Main Street, Bishop 93514; Bridgeport Post Office at 29 Kingsley St, Bridgeport, CA 93517; Coleville Post Office at 111747 US-395, Coleville, CA 96107; Bridgeport Library at 94 School St, Bridgeport, CA 93517; and on our website: <https://dot.ca.gov/caltrans-near-me/district-9>

Please submit your comments or request for a public hearing in writing **no later than February 27, 2018** to Angela Calloway, Environmental Office Chief - Caltrans, at 500 South Main Street, Bishop, CA 93514.
