Stockton, CA 95202

Dear Mr. Diaz,

The California Department of Transportation (Department) appreciates the opportunity to review and comment on the Sanchez-Hoggan NOP. The Department has the following comment:

The Department has no objection to the annexation of property at this location. However, the Department would like to review any future entitlement applications and site plans describing additional on site activities. Comments may be provided by the Department regarding the impacts of those activities after the Department's review. Please forward the Lead Agency's California Environmental Quality Act (CEQA) determination and supporting documentation to the Department for mitigation monitoring.

If you have any questions, please contact Joshua Swearingen at (209) 948-7142 (email: Joshua.swearingen@dot.ca.gov) or me at (209) 941-1921. We look forward to continuing to work with you in a cooperative manner.

Sincerely,
