Project Title: Westminster and Kenyon Avenue Accessibility Project
Proj. No. 0676-6P1025, CP#19-44

Project Applicant: Contra Costa County Public Works Department,
255 Glacier Drive Martinez, CA 94553

Project Location: Select locations in unincorporated Kensington in West Contra Costa County

Lead Agency: Contra Costa County Department of Conservation and Development

Description of Nature, Purpose and Beneficiaries of Project:

The project is located at selected intersections near Kensington Elementary School, Kensington Park, Kensington Community Center, and Kensington Library in the unincorporated Kensington area.
The purpose of this project is to improve the pedestrian infrastructure in the unincorporated Kensington area by providing ADA compliant curb ramps along Westminster Avenue and Kenyon Avenue. This area experiences a large volume of pedestrian and vehicular traffic during school drop-off and pick-up hours for Kensington Elementary School.
The project consists of installing 14 curb ramps at selected intersections near Kensington Elementary School, Kensington Park, Kensington Community Center, and Kensington Library.
In general, the construction process for curb ramps will consist of saw-cutting, concrete removal, base rock placement and compaction, formwork construction, and concrete placement.
The old curb ramps that need to be upgraded and partial sidewalks will be demolished to make room for improvements. Excavation will be made to the required depth to accommodate forms for concrete placement, and is estimated to be 3 feet. The existing drainage inlets and valley gutters may be modified as needed.
Tree and shrubbery trimming may be necessary throughout the project area. In order to minimize damage to trees, any roots exposed during construction activities will be clean cut. Appropriate Best Management Practices (BMPs) will be implemented during construction. Utility adjustments or relocation may be necessary in support of the project. One lane will be open during construction activities. Emergency vehicles will have access at all times.
