 Project Title: Well 204 Project

 Project Applicant: Eastern Municipal Water District

 Project Location (include county): Perris, Riverside County
**Project Description:**

The Project involves the construction and operation of a new potable groundwater production well on a site in the City of Perris, Ca. The proposed Project consists of construction and operation of an 18-inch diameter potable water well drilled to an approximate depth of 510 feet, as well as construction of a wellhead treatment facility on East Nance Street in the City of Perris, Ca, Riverside County. The site is situated in the Perris North Groundwater Management Zone and would provide water to the local community and surrounding areas. It is anticipated that the proposed project would produce approximately 1,000 to 3,000 acre-feet per year (AFY) of potable water from the well
