## Yreka Rehab Project | Caltrans District 2

NOTICE OF INTENT TO ADOPT A NEGATIVE DECLARATION PURSUANT TO CEQA

### What Is Planned

The California Department of Transportation (Caltrans), with the Federal Highway Administration (FHWA), is proposing a roadway rehabilitation project on State Route (SR) 3 in the City of Yreka in Siskiyou County. The project includes the segment of SR 3 from post mile R46.8 to R48.0 (this section of roadway has a post mile equation [L50.16 = R47.38]), Moonlit Oaks Avenue between SR 3 and Fairlane Road, and a section of SR 263 from post mile 49.1 to 49.4. The project is approximately 4.4 miles in length, and is primarily in an urban, main street setting. The purpose of the project is to rehabilitate the existing pavement to current design standards, increase the service life of the roadway, improve rideability for motorists, provide a multi-modal facility, establish system linkage, and improve safety for pedestrians, bicyclists, and motorists.
