

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

for the

CITY OF LODI – POLICE TRAINING FACILITY PROJECT San Joaquin County, California

This is to advise that the City of Lodi has prepared an Initial Study (IS) to evaluate the environmental impacts of the project identified below, as required by the California Environmental Quality Act (CEQA). Based upon the conclusions set forth in the IS, the City of Lodi proposes to adopt a Mitigated Negative Declaration. As mandated by State Law, the review period for this document is 30 (thirty) days.

Project: The City of Lodi is proposing to provide the City of Lodi with a police training facility located at the White Slough Water Pollution Control Facility (WPCF). The purpose of this project is to provide the necessary long-term police training facility required in order to properly train and certify the Department of a long-term, consistent basis, as well as potentially offer some "open to the public" opportunities such as scheduled hunter safety courses or local shooting club competition space. The Training Facility proposes to include a classroom training facility, short-, medium-, and long-range shooting ranges, a defensive driving course, a detonation area and bunker, as well as a mobile restroom, storage containers, parking stalls, an emergency access lane, target berms, improvements to the existing gravel road, lighting, and site fencing. Other improvements include hardscape and landscaping.

Location: The project is located at 12751 Thornton Road, within the approximately 1,026 acres of City owned WPCF property (APNs: 055-190-01, 055-150-29, 055-130-16) in Lodi, San Joaquin County, California.

The City of Lodi has reviewed the proposed project and determined that although the proposed project could have a significant effect on the environment, there will not be a significant effect in this case because revisions in the project have been made by or agreed to by the project proponent. The proposed Mitigated Negative Declaration has been prepared pursuant to Title 14, Chapter 3, Section 15070 of the California Code of Regulations.

Review: The proposed Mitigated Negative Declaration and related documents will be available for review at the following:

- **Community Development Department**, 221 West Pine Street, Lodi, CA 95240;
- **Lodi Public Library**, 201 West Locust Street, Lodi, CA 95240; and
- **Online at** http://www.lodi.gov/com_dev/EIRs.html

The comment period opens on **February 14, 2020** and closes on **March 15, 2020**. All comments must be received by 5:00 PM on March 15, 2020.
