Project Description: (please use a separate page if necessary)

A Minor Subdivision of an approximately 19-acre parcel into two parcels of 5.5 acres and 13.5 acres. The parcel is currently developed with a single-family residence and detached Accessory Dwelling Unit that will remain on proposed Parcel 1. An exception to the State FireSafe Regulations has been requested and approved by Calfire to allow the subdivision to be served by a road that does not meet the Category 4 road width due to an existing tunnel under State Highway 299. The parcels will be served by on-site water (wells) and on-site wastewater treatment systems.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
