Project Title: Crescenta Valley High School Field Improvement Project

Lead Agency: Glendale Unified School District

Contact Name: Hagop Kassabian, Facilities Planning, Development & Support Operations

Email: HKassabian@gusd.net Phone Number: (818) 507-0201

Project Location: Unincorporated Community of La Crescenta Los Angeles  
*City* *County*

Project Description (Proposed actions, location, and/or consequences).

The proposed project would redevelop the area south of the tennis courts and north of the existing track and field to install permanent bleachers and new field lighting around the existing track and field. Additional improvements would include a restroom and storage/maintenance buildings, a team room, and a concession stand. The proposed project would make use of existing street and on-site parking. No change in site access or parking would occur. The school's use of the proposed field would be from 7:00 pm to 10:00 pm Monday through Friday, and 8:00 am to 10:00 pm on Saturday and Sunday. The proposed project includes the development of new bleachers with 3,442 seats. All 3,442 seats would be along the northeastern portion of the existing field. The bleachers would be aluminum and galvanized steel construction with concrete foundations. In addition, the project would include the installation and operation of four 80-foot-tall light poles along the perimeter of the running track. The project would also include a 540-square-foot concession stand along the northern perimeter of the project site and a 2,254-square-foot home team room along the southeastern perimeter of the project site.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The topics anticipated to be discussed in the EIR include aesthetics, air quality, energy, geology/soils, greenhouse gas emissions, hazards and hazardous materials, hydrology and water quality, noise, public services, transportation, and wildfire.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

No areas of controversy are known to the Lead Agency

Provide a list of the responsible or trustee agencies for the project.

- Los Angeles Regional Water Quality Control Board
- South Coast Air Quality Management District
