Project Title: Director's Order-Failed Pavement

Project Applicant: California Department of Transportation

Project Location - Specific:
In Kern County, from 0.65 miles north of the Twissleman Road over crossing to the Kings County line.

Project Location - City: Project Location - County: Kern

Description of Nature, Purpose and Beneficiaries of Project:

The project is a Director's Order project to remove and replace failed pavement on I-5 at select areas within the project limits. The scope of work includes removing and replacing 3 inches of failed pavement in select areas, lane striping, and traffic control. The purpose is to accelerate pavement repairs to avoid potential lane closures due to a lack of drivability. The emergency contract is needed to avoid the failure or threat of failure to the transportation system and to prevent or mitigate the loss or impairment of life, health, property, or essential public services.

Name of Public Agency Approving Project: California Department of Transportation

Name of Person or Agency Carrying Out Project: California Department of Transportation
