PROJECT DESCRIPTION: (Briefly describe project including need, purpose, location, limits, right-of-way requirements, and activities involved in this box. Use Continuation Sheet, if necessary.)							
The California Department of Transportation (Caltrans) proposes installing a new drainage system at post mile R5.9 on State Route (SR) 104 in the City of Ione, within Amador County. The scope of work includes installing a new 24-inch equivalent, elliptical, Reinforced Concrete Pipe (RCP) under the roadway and along the curb of the eastbound lane. The RCP culvert will be installed no more than 3-feet deep. All work will occur within Caltrans right of way. The purpose of this project is to correct and direct the drainage of roadway run-off. The project is needed to prevent the roadway, sidewalks, and surrounding businesses from flooding.							
CALTRANS CEQA DETERMINATION (Check one)							
Not Applicable – Caltrans is not the CEQA Lead Agency Invironmental Impact Report under CEQA Based on an examination of this proposal, supporting information, and the above statements, the project is: Exempt by Statute. (PRC 21080[b]; 14 CCR 15260 et seq.)							
Categorically Exempt. Class 1. (PRC 21084; 14 CCR 15300 et seq.) Based on an examination of this proposal and supporting information, the following statements are true and exceptions do not apply:							
 If this project falls within exempt class 3, 4, 5, 6 or 11, it does not impact an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law. There will not be a significant cumulative effect by this project and successive projects of the same type in the same place, over time. 							
 There is not a reasonable possibility that the project will have a significant effect on the environment due to unusual circumstances. This project does not damage a scenic resource within an officially designated state scenic highway. 							
 This project is not located on a site included on any list compiled pursuant to Govt. Code § 65962.5 ("Cortese List"). This project does not cause a substantial adverse change in the significance of a historical resource. Common Sense Exemption. [This project does not fall within an exempt class, but it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment (14 CCR 15061[b][3].)
