

**COUNTY OF SUTTER**  
**MITIGATED NEGATIVE DECLARATION**

**PROJECT TITLE:** Robbins Water System Treatment Plant Improvement Project

**PROJECT SPONSOR:** County of Sutter

**PROJECT LOCATION:** The water treatment plant is located at the northwest corner at the intersection of Del Monte Avenue and State Highway 113. The proposed well site is located at approximately 5400 Del Monte Avenue (Assessor's Parcel 29-070-087) and is proposed at the southeast corner of the intersection of Del Monte Avenue and Knights Road.

**ASSESSOR'S PARCEL NOS.:** 29-070-059 and 29-070-087

**PROJECT DESCRIPTION:** An upgrade to the Community of Robbins water system that is operated by Sutter County Waterworks District No. 1. Proposed system upgrades, to address water quality issues, will consist of expansion of the water treatment plant through the installation of a new chemical storage shelter, filter tanks, treated water tank, electrical controls and a new perimeter fence and gate. The new well site will include establishing a new well, submersible electric pump and a new pipeline from the proposed well site to the treatment plant. Additionally, a small detention basin will also be installed. The combined project areas total 1.14 acres (the "Project Area" or "Action Area").

---

An Initial Study has been conducted by the Environmental Control Officer of the County of Sutter. The Environmental Control Officer finds that this project will not have a significant effect on the environment. The Initial Study is available for public review at the Sutter County Development Services Department, 1130 Civic Center Boulevard, Suite A, Yuba City, California. (Phone: 530-822-7400)

**STATEMENT OF REASONS TO SUPPORT FINDING  
OF MITIGATED NEGATIVE DECLARATION**

Staff has conducted an Initial Study for this project, which revealed that the proposed project could have significant impact on the environment; however, the recommended mitigation measures would reduce the possible impacts to a less-than-significant level.
