 Statutory Exemptions. State code number: §15273 and §15262
 Other: §15061(b)(3) Common Sense Exemption

Reasons why project is exempt:

CEQA Guidelines §15273 Rates, Tolls, Fares, and Charges: The 2020 CTP Rate Resolution is the first step in a rate setting activity to establish a rate by a public agency which the public agency finds is for the purpose of purchasing equipment. CEQA Guidelines §15262 Feasibility and Planning Studies: The 2020 CTP Rate Resolution is a planning study for possible future action which the Board has not approved, adopted, or funded and does not require the preparation of an EIR or Negative Declaration but does require consideration of environmental factors. CEQA Guidelines §15061(b) (3) Common Sense Exemption: It can be seen with certainty that there is no possibility that the approval of the 2020 CTP Rate Resolution may have a significant effect on the environment.
