bey and fred wor con	ond the gore and constru 9.1-11.4 in Sacramento C juency and duration of wo k includes paving areas b trol fencing and gates, pa	acting maintenanc County. The purpo orkers exposed to beyond the gore a aving slopes, and	e vehicle pullouts se of this project i traffic and provide nd narrow areas, i replacing/construe	ato improve worker safety be at various locations from po- s to improve worker safety e safe access to roadway fa enstalling vegetation control cting maintenance vehicle popage 2)	ost mile (PM) 8.3-8.6 by reducing the cilities. Proposed , installing access				
scope also included the relocation of utility boxes. (continued on page 2).  CALTRANS CEQA DETERMINATION (Check one)									
	Not Applicable – Caltrans is	,	Agency Not	Applicable – Caltrans has prepa nental Impact Report under CE					
Base	ed on an examination of this pr			ove statements, the project is:					
	Exempt by Statute. (PRC 21			1					
	Categorically Exempt. Class 1(b). (PRC 21084; 14 CCR 15300 et seq.)  Based on an examination of this proposal and supporting information, the following statements are true and exceptions do not apply:								
	<ul> <li>If this project falls within exempt class 3, 4, 5, 6 or 11, it does not impact an environmental resource of hazardous or critical concern where designated, precisely mapped, and officially adopted pursuant to law.</li> </ul>								
	<ul> <li>There will not be a significant cumulative effect by this project and successive projects of the same type in the same place, over time.</li> <li>There is not a reasonable possibility that the project will have a significant effect on the environment due to unusual</li> </ul>								
<ul> <li>circumstances.</li> <li>This project does not damage a scenic resource within an officially designated state scenic highway.</li> <li>This project is not located on a site included on any list compiled pursuant to Govt. Code § 65962.5 ("Cortese List").</li> </ul>									
	This project does not cause a substantial adverse change in the significance of a historical resource.								
Ш	Common Sense Exemption. [This project does not fall within an exempt class, but it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment (14 CCR 15061[b][3].)
