**Present Land Use/Zoning/General Plan Designation:**

Storage/Castro Valley Central Business District, Subarea 10 (Land Use Groups A limited, B and D allowed)/Castro Valley GP: PF (Public Facilities), 1.5 max FAR

**Project Description:** (please use a separate page if necessary)

The proposed project involves the demolition of existing on-site structures and development of a new operations facility for use by CVSan. The facility would include an approximately 19,795 square-foot, two-story building that would provide office space and other facilities such as equipment storage, conference and board rooms, amenities for employees (i.e.: kitchen, break room, shower, and lockers), and a public counter for the CVSan Engineering Department. The project would also include vehicle maintenance facilities, a workshop, and materials storage areas in the same corporation yard building, a separate hazardous material building to house chemical products, paint, and emergency fuel, and an associated surface parking lot.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
