Dear Mr. Sanfilippo:

The California Department of Transportation appreciates the opportunity to have reviewed PA-1900305 (SA), the proposed addition of a 15,963 square foot trailer manufacturing building to an existing facility at 1748 South Mariposa Road, Stockton. The facility will have a total of 30 employees and one shift per day. The Department has the following comments:

Caltrans encourages employees to use alternate modes of transportation such as carpooling to reach the work site.

If you have any questions or would like to discuss our comments in more detail, please contact Nicholas Fung at (209) 948-7190 or myself at (209) 941-1921.

Sincerely,

  
FOR

TOM DUMAS, CHIEF  
OFFICE OF METROPOLITAN PLANNING
