Project Description (Proposed actions, location, and/or consequences).

See Attachment.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The SCEA determined that all potentially significant environmental impacts can be mitigated to less than significant. A mitigation measure will be adopted for Tribal Cultural Resources. Pursuant to Section 21155.2 of the PRC, this SCEA: 1) incorporates all feasible mitigation measures, performance standards, or criteria set forth in the prior applicable environmental impact reports, including the Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS) prepared by the Southern California Association of Governments (SCAG), and adopted in findings made pursuant to Section 21081; and 2) contains mitigation that either avoids or mitigates to a level of insignificance all potentially significant or significant effects of the Project required to be identified in the initial study prepared for the Project.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

No area of known controversy.

Provide a list of the responsible or trustee agencies for the project.
