Project Title: Jameson Creek Fish Passage Improvement (Request No. 1652-2020-035-001-R1)

Project Applicant: Brendan Byrd, City of Fortuna.

Project Location: Latitude: 40.5785, Longitude: -124.1298. At the Rohnerville Road crossing of Jameson Creek within the City of Fortuna, Humboldt County, CA.

Project Description: Pursuant to Fish and Game Code section 1652, the California Department of Fish and Wildlife has approved the Jameson Creek Fish Passage Improvement Project submitted by the City of Fortuna.

The project will replace an existing culvert, which is a complete barrier to fish passage, with a larger culvert that will permit fish passage. The project will include a roughened channel constructed in the culvert to provide a stream bottom that facilitate fish use.

Public Agency Approving Project: California Department of Fish and Wildlife

Person or Public Agency Carrying Out Project: City of Fortuna

Exempt Status:

Categorical Exemption. Type – Class 33 California Code of Regulations, title 14, section 15333

Reasons why project is exempt: Class 33 consists of small projects not to exceed five acres in size to assure the maintenance, restoration, enhancement, or protection of habitat for fish, plants, or wildlife.
