CC to Division is FYI only.

Special Projects Section (SPS) recently received the referenced "Notice of Completion-MND" environmental impact document from the State Clearinghouse outlined in the attached files (memorandum, checklist, and project file) and/or Web site: <https://ceganet.opr.ca.gov/2020040114/2/Attachment/CNvhBz>

Due to the project's geographical proximity to the San Geronio Pass Area, please use the attached checklist to assess its potential impact to local Area/Section operations and public safety.

Please call or e-mail if you have any questions.

Thank you,

Mary
