Good Afternoon Lt. Coomer,

I received this EIR and after reviewing the location it appears to be in Templeton's area of responsibility. I have cc'd HQ and Division as a FYI to them.

Good afternoon,

Special Projects Section (SPS) recently received the referenced "Notice of Environmental Impact" document from the State Clearinghouse outlined in the following Website:

<https://ceqanet.opr.ca.gov/2020040123/2>

Due to the project's geographical proximity to the San Luis Obispo Area, please use the attached checklist to assess its potential impact to local Area/Section operations and public safety.

CC to Division FYI only

Please feel free to e-mail me if you have any questions.

Thank you!

Kind Regards,

Blanca Enciso
