# Man fatally shot at car wash is identified

A second man who was wounded released from hospital

By Harry Harris  
hharris@bayareanewsgroup.com

OAKLAND » A 29-year-old man fatally shot April 8 at an East Oakland car wash was identified by police Tuesday as Rasheen Ferguson.

A 36-year-old man who was wounded in the shoot-

ing has been released from a hospital.

Police have not released a motive for the shooting and have not made any arrests.

Ferguson, who lived in the area, and the other man were shot about 3:45 p.m. April 8 at the car wash in the 2300 block of Foot-hill Boulevard.

Police said the two men were acquaintances and apparently were hanging out at the car wash when the shooting happened.

Ferguson died at the scene, and the other man got his own transportation to a hospital.

Police and Crime Stoppers of Oakland are offering up to \$15,000 in reward money in the shooting for information leading to the arrest of the suspect. Anyone with information may call police at 510-238-3821 or Crime Stoppers at 510-777-8572.

BERKELEY

# Two-alarm fire damages residences

There were no reported injuries in the Tuesday blaze

By Harry Harris and George Kelly  
Staff writers

BERKELEY » A two-alarm fire Tuesday afternoon that started at a home and spread to other structures sending smoke into the sky visible from several East Bay cities, remains under investigation, authorities

said. Authorities have not said how many people were displaced. No injuries were reported.

The fire started around 12:05 p.m. Tuesday at a home in the 2000 block of Blake Street. Firefighters found smoke and flames coming from the home.

The fire eventually spread to a residential structure on one side and another structure in the rear.

A second alarm was

called, triggering Albany firefighters' arrival.

It took firefighters more than an hour to bring the fires under control.

Oakland firefighters also staged nearby and covered at least one Berkeley fire station, and Berkeley police also responded to block off streets to traffic and assist with evacuation of nearby residents.

SAN LEANDRO

# Stolen church food pantry van found, pastor says

By Aldo Toledo  
atoledo@bayareanewsgroup.com

SAN LEANDRO » A van used by the All Saints Episcopal Church to deliver food "to the neediest in the community" was found over the weekend after it was stolen, the Rev. Justin Cannon said.

Cannon said that the van, which was a gift from the city of San Leandro last year, was taken from the church parking lot early Thursday morning. Most recently, it had been used to help feed families during the corona-

virus pandemic.

"The van was stolen the morning of Maundy Thursday, when Christians remember the Last Supper Christ has with his disciples," Cannon said. "At that supper, Jesus said to his friends 'I give you a new commandment, that you love one another. Just as I have loved you, you also should love one another.'"

"Our food pantry is one expression of that love as we seek to feed the hungry, just as Christ did. It breaks my heart someone would steal a food pantry van from a church."

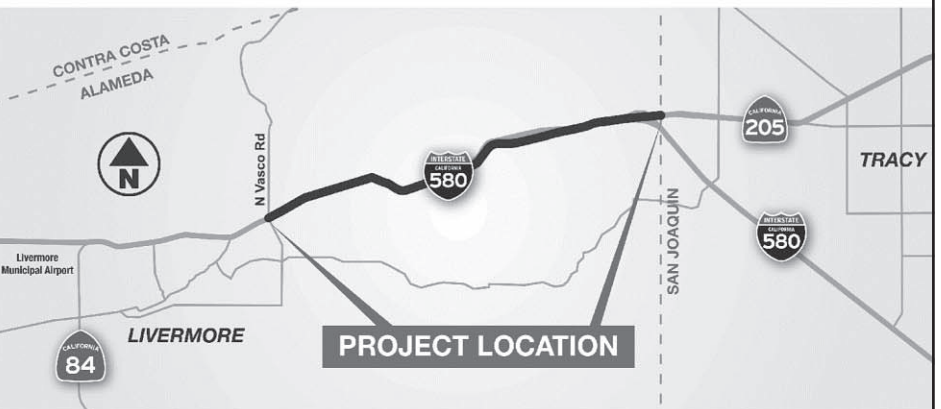

The van, a white Ford E-350 XL Super Duty with license plate 8NPM513, had a number "32" visible on its back, as well as scuff marks by a driver's-side door handle. In an email, Cannon said the van was found severely damaged, with its catalytic converter cut out and full of cans of wet paint.

Despite the setback, food pantry Coordinator Tom Breckenridge said the church will continue delivering meals.

Staff writer George Kelly contributed to this report.

## Caltrans PUBLIC NOTICE

### NOTICE OF INTENT TO ADOPT A NEGATIVE DECLARATION AND NOTICE OF AVAILABILITY OF THE INITIAL STUDY WITH PROPOSED NEGATIVE DECLARATION.

#### WHAT IS BEING PLANNED?

Caltrans proposes to construct the Interstate 580 (I-580) and Interstate 205 (I-205) Roadside Safety Improvement Project to improve maintenance worker safety at 14 locations along I-580 and I-205 from North Vasco Road in the City of Livermore in Alameda County to the Alameda-San Joaquin county line. This will be accomplished by extending and paving gore areas (small triangular unpaved areas between on-ramps and highways), as well as constructing maintenance vehicle pullouts. The total length of the project is approximately 9.62 miles.

#### WHY THIS AD?

Caltrans has studied the impacts that the proposed project may have on the environment and has determined that the proposed project will not have a significant impact on the environment. The Initial Study (IS) with proposed Negative Declaration (ND)/Categorical Exclusion (CE) is the environmental document that explains why the proposed project will have less than significant impacts on the environment. This public notice is to inform you of the preparation of the environmental document; its availability for review; and the public comment period.
