CC to Division is FYI only.

Special Projects Section (SPS) recently received the referenced "Notice of Completion" environmental impact document from the State Clearinghouse outlined in the attached files (memorandum, checklist, and project file) and/or Web site: <https://ceqanet.opr.ca.gov/2020040308/2/Attachment/Wi6sEY>

Due to the project's geographical proximity to the Templeton Area, please use the attached checklist to assess its potential impact to local Area/Section operations and public safety.

Please call or e-mail if you have any questions.

Thank you,

Mary
