Good afternoon,

I have reviewed the attached environmental impact documentation and have determined there to be **no impact to the Templeton Area's local operation and/or public safety by SCH 2020040333.**

Please let me know if you have questions or concerns.

Special Projects Section (SPS) recently received the referenced Notice of environmental impact document from the State Clearinghouse outlined in the following Web site:

<https://ceqanet.opr.ca.gov/2020040333/2>

Due to the project's geographical proximity to the Templeton area, please use the attached checklist to assess its potential impact to local Area/Section operations and public safety.

CC to Division FYI only.

Please feel free to e-mail me if you have any questions.
