Project Title: Mirabel Inflatable Bladder Replacement (Lake or Streambed Alteration Agreement No. 1600-2020-0015-R3)

Project Location: The project is located on the Russian River at 9750 Wohler Road, Healdsburg, in the County of Sonoma.

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement number 1600-2020-0015-R3, pursuant to Section 1602 of the Fish and Game Code to Sonoma County Water Agency.

The project is limited to the installation of a replacement fabric bag for Sonoma Water’s Mirabel inflatable dam. The existing fabric bag will be removed from the concrete base of the dam and the new bag will be installed in its place. The work will involve isolating the work area from the active flow of the Russian River through the use of steel sheet piles installed across the Russian River upstream and downstream of the Mirabel dam.
