TO:	<input type="checkbox"/> Office of Planning and Research Post Office Box 3044 Sacramento, CA 95812-3044 (overnight or hand delivery) <input checked="" type="checkbox"/> 1400 Tenth Street, Room 113 Sacramento, CA 95814	Lead Agency (if different from above): N/A Address: Contact: Phone:	
------------	--	--	--

SUBJECT: Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources Code.

State Clearinghouse Number (If submitted to SCH): 2020049017		
Project Title: Upper Valle de los Caballos Regional Pump Station [Project No. D1903]		
Project Applicant: Rancho California Water District		
Specific Project Location – Identify street address and cross street or attach a map showing project site (preferably a USGS 15' or 7 ½' topographical map identified by quadrangle name): South of De Portola Road; east of Pauba Road; and along/east of Conquistador Place; portions of De Portola Road. See attached Figure 1: Project Vicinity.		
General Project Location (City and/or County): Riverside County, east of city of Temecula, CA		
Project Description: Upper Valle de las Caballos (UVDC) Regional Pump Station [Project No. D1903] will increase capacity at the UVDC Regional Pump Station and provide operational benefits to Rancho Water. New facilities will augment capacity in the 1305 and 1380 Pressure Zones and will include the following components: imported fill material to raise the site pad above existing ground elevation; chlorine contact tank for groundwater disinfection; on-site sodium hypochlorite generation and feed system; wet well and transition pipeline to direct flow from the contact tank to the pump station; extension of the existing ammonia feed facility; discharge piping; vertical turbine pumps; and two (2) new wells. Identify the person or entity undertaking the project, including any private applicant, any other person undertaking an activity that receives financial assistance from the Public Agency as part of the project, and any person receiving a lease, permit, license, certificate, or other entitlement of use from the Public Agency as part of the project.		

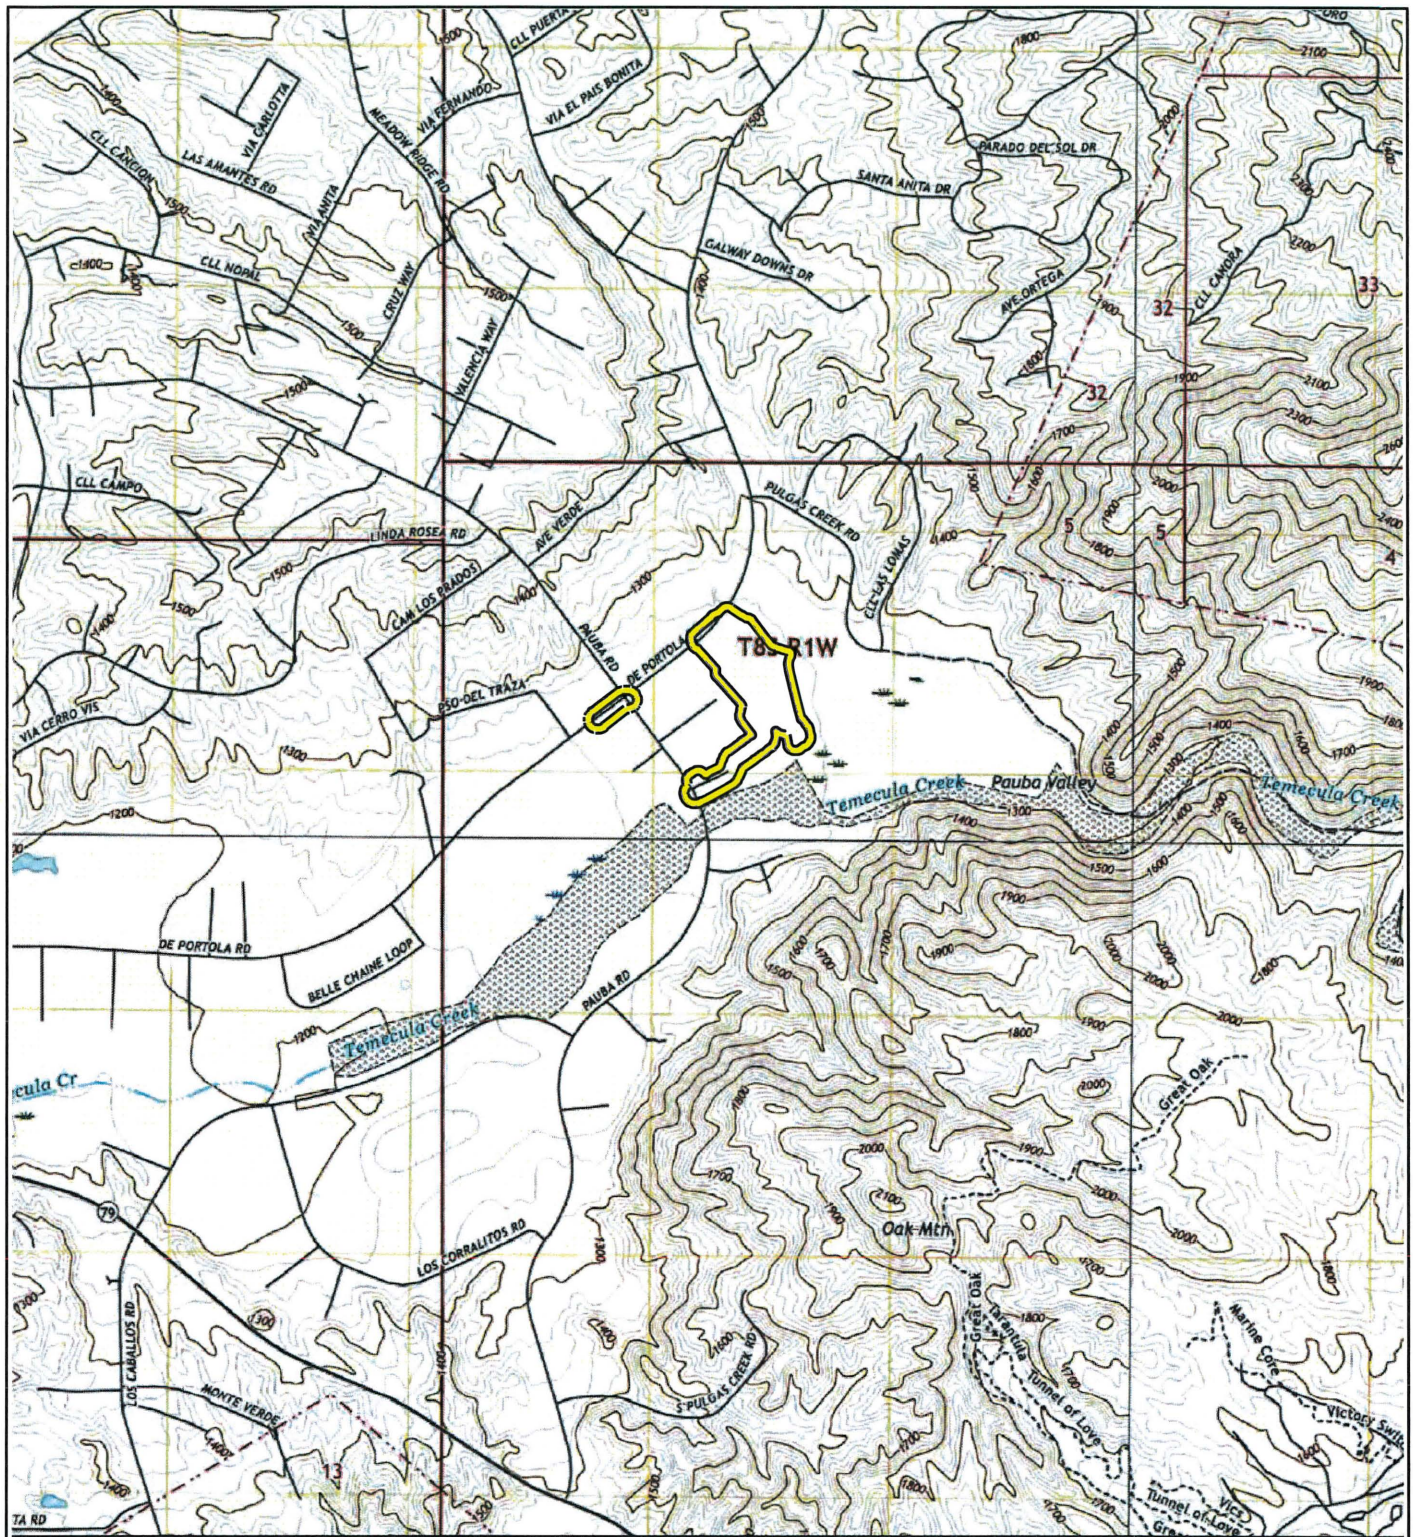

This is to advise that the (☒ Lead Agency or ☐ Responsible Agency) has approved the above described project on June 11, 2020 and has made the following determinations regarding the above described project:

1	<input type="checkbox"/> The project will have a significant effect on the environment.
	<input checked="" type="checkbox"/> The project will NOT have a significant effect on the environment
2	<input type="checkbox"/> An Environmental Impact Report was prepared and certified for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.
	<input type="checkbox"/> A Negative Declaration was prepared for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.
	<input checked="" type="checkbox"/> A Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA and reflects the independent judgment of the Lead Agency.
3	<input checked="" type="checkbox"/> Mitigation measures were made a condition of the approval of the project.
	<input type="checkbox"/> Mitigation measures were NOT made a condition of the approval of the project.
4	<input checked="" type="checkbox"/> A Mitigation Monitoring or Reporting Plan was adopted for this project.
	<input type="checkbox"/> A Mitigation Monitoring or Reporting Plan was NOT adopted for this project.
5	<input type="checkbox"/> A Statement of Overriding Considerations was adopted for this project.
	<input checked="" type="checkbox"/> A Statement of Overriding Considerations was NOT adopted for this project
6	<input type="checkbox"/> Findings were made pursuant to the provisions of CEQA.
	<input checked="" type="checkbox"/> Findings were NOT made pursuant to the provisions of CEQA.
This is to certify that the Final EIR with comments and responses and record of project approval, or the Final Mitigated Negative Declaration , is available to General Public at:
