Good Afternoon,

The SR 217 San Jose Creek Bridge Replacement Project falls within the Santa Barbara CHP Area's jurisdiction. We have reviewed the attached environmental impact documentation and conferred with the lead agency. We have determined there to be no impact to the Santa Barbara Area's local operation and/or public safety by SCH# 2020049028 .

Please feel free to contact me if you have any questions.

Thank You,  
Cindy Pontes

Good afternoon,

Special Projects Section (SPS) recently received the referenced "Notice of Environmental Impact" document from the State Clearinghouse outlined in the following Website:

<https://ceqanet.opr.ca.gov/2020049028/2>

Due to the project's geographical proximity to the Santa Barbara Area, please use the attached checklist to assess its potential impact to local Area/Section operations and public safety.

CC to Division FYI only

Please feel free to e-mail me if you have any questions.

Thank you!

**Kind Regards,**
