**Project Description:** (please use a separate page if necessary)

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

**Project Description:**

The Project is a residential subdivision that requires a General Plan Amendment (GPA No. 2020-02), Major Site Plan Review (SPR No. 2020-01), Planned Unit Development (PUD No. 2020-01), and Zone Change (ZMA No. 2020-02), and Tentative Tract Map (TTM 848), within Assessor's Parcel Numbers (APNs) 023-510-040 and 023-480-031, which totals approximately 54.1 acres in area, and includes these uses:

- 362 single-family dwelling units on 54.1 acres located on the southeast corner of Bush Avenue and College Avenue south of the high-pressure gas pipeline easement. The single-family dwelling units will be constructed in three phases. Phase 1 will consist of 152 dwelling units, Phases 1 and 2 will consist of 259 dwelling units, Phases 1, 2, and 3 will consist of 362 dwelling units.
- Upzoning of 23.4 acres vacant land to maintain the same number of dwelling units planned in the General Plan Housing Element. The land to be upzoned would not be developed with this project. The upzoning would accommodate a future development consisting of approximately 200 multi-family dwelling units and approximately 20,000 square-feet of retail shopping space, located on the southeast corner of College Avenue and Bush Street, north of the gas pipeline easement. The upzoning is required to meet the requirements of Government Code Section 66300(b)(1) and maintains the total number of planned residential units at the pre-project amount. Additional environmental review would be required.

As part of this Project, the following roadways will be constructed:

- Semas Avenue – new alignment, located to the east of the Project; also known as Semas Drive.
- Pedersen Street – new alignment, located to the south of the Project; also known as Pedersen Avenue.
- College Avenue – widening adjacent to the subdivision and adjacent storm basin; also known as College Avenue.
