Notice of Intent to Adopt a Mitigated Negative Declaration

As lead agency under the California Environmental Quality Act, the Port of Stockton is providing this Notice of Intent to adopt a Mitigated Negative Declaration (MND) assessing the potential environmental effects associated with the following project:

Central Valley Ag Group Bulk Whole Cottonseed Transload Facility at the Port of Stockton

The proposed project is located at 530 Port Road 23 in Stockton, California.

The proposed project involves establishing a new transloading facility at the Port of Stockton to receive whole cottonseed by rail and transport it out by truck. The Initial Study (IS)/MND is available for review at the Port of Stockton (2201 West Washington Street, Stockton, California 95203) and an electronic copy of the IS/MND is available for review at <https://www.portofstockton.com/ceqa-documents/>. The review period starting date is May 15, 2020 and ending date is June 15, 2020. Please submit your comments on the IS/MND by email to jcashman@stocktonport.com or by mail to Jason Cashman, Environmental Manager, Port of Stockton, 2201 West Washington Street, Stockton, California 95203.

Emails must be received by June 15, 2020. Comment letters must be postmarked by June 15, 2020. If you have any questions, please contact Jason Cashman by email (above) or phone at 209-946-0246.
