Summary Form for Electronic Document Submittal

Form F

Lead agencies may include 15 hardcopies of this document when submitting electronic copies of Environmental Impact Reports, Negative Declarations, Mitigated Negative Declarations, or Notices of Preparation to the State Clearinghouse (SCH). The SCH also accepts other summaries, such as EIR Executive Summaries prepared pursuant to CEQA Guidelines Section 15123. Please include one copy of the Notice of Completion Form (NOC) with your submission and attach the summary to each electronic copy of the document.

SCH #: 2020050497	
Project Title: City of Corona Reclaimed Wa	ter Master Plan (RWMP) EIR
Lead Agency: City of Corona	
Contact Name: Ulises Escalona, Associate	Engineer
Email: Ulises.Escalona@coronaca.gov	Phone Number: 951-279-3512
Project Location: Corona	Riverside
City	County
Project Description (Proposed actions, locations)	ion, and/or consequences).
	at will assist the City with meeting it's goals for reclaimed water use by priate projects, programs, and additional studies.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

This EIR examines the potential environmental effects of the proposed project, including information related to existing site conditions, analyses of the types and magnitude of individual and cumulative environmental impacts, and feasible mitigation measures that could reduce or avoid environmental impacts. In accordance with Appendix G of the CEQA Guidelines, potential environmental effects of the proposed project were analyzed for the following areas: Aesthetics, Agriculture and Forestry, Air Quality, Biological Resources, Cultural Resources, Energy, Geology, Soils, and Paleontological Resources, Greenhouse Gas Emissions, Hazards and Hazardous Materials, Hydrology and Water Quality, Land Use and Planning, Mineral Resources, Noise, Population and Housing, Public Services, Recreation, Transportation, Tribal Cultural Resources, Utilities and Service Systems and Wilfire. Impacts to the environemtal resource areas analyzed in the EIR would be less than significant with the implementation of mitigation measures.

Please refer to the EIR Executive Summary for additional detail or the individual resource area sections.

The following resource areas include mitigaton:

Aesthetics; Biological Resources; Cultural Resources; Geology, Soils, and Paleontological Resources; Hazards and Hazardous Materials; Land Use and Planning; Noise; Transportation; Tribal Cultural Resources; Wildfire

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
The City circulated a Notice of Preparation (NOP) to solicit agency and public comments on the scope and content of the environmental analysis beginning May 20, 2020, and ending June 18, 2020. The NOP is included in Appendix A, NOP and NOP Comment Letters. Comments were considered in preparation of this PEIR. Six comment letters were received during the NOP public review period. A copy of each letter is provided in Appendix A. Additionally, the complete text of the NOP and the NOP comments is included in Appendix A. An NOP scoping meeting was held on June 2, 2020. The comment letters received are summarized in Table ES-4.
Provide a list of the responsible or trustee agencies for the project.
