SUBJECT: *Filing of Notice of Determination in compliance with Section 21108 or 21152 of the Public Resources*

State Clearinghouse Number: #2020069001

Project Title: Flume 30 Replacement Project

Project Applicant: El Dorado Irrigation District

Project Location: The Project site is located south of U.S. 50 along the El Dorado Hydroelectric Project (Project No. 184) El Dorado Canal (Canal) between Kyburz and Pollock Pines in El Dorado County within Sections 33, Township 11 North, Range 14 East, of the USGS Riverton Quadrangle.

Project Description: The proposed project involves replacing 350 feet of wooden flume structure with reinforced air-placed concrete, canal bench improvements, improvements to Forest Service Road 10-08YE, and construction of a new segment of access road. The existing wooden flume and substructure would be demolished and disposed at an off-site disposal area, in accordance with applicable regulations. A new flume of pre-cast concrete voided slab would be installed to span Bull Creek. The eastern abutment would not require additional improvements and could be used with only minor modification. The western abutment would be removed and rebuilt using a system similar to the eastern reinforced shotcrete facing and rock anchor tie backs to provide stability. Access to the project area would primarily rely on the use of existing roads. A new road of approximately 2,200 lineal feet would need to be constructed to allow access to the existing canal bench. Project construction is anticipated to take approximately 5 to 6 months. The project site is not identified on the lists specified in Government Code section 65962.5.

This is to advise that the El Dorado Irrigation District (Lead Agency) has approved the above described project on August 10, 2020 and has made the following determinations regarding the above described project.

1. The project [☐ will ☒ will not] have a significant effect on the environment.
2. ☐ An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
☒ A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
☐ An Addendum to a previous Mitigated Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [☒ were ☐ were not] made a condition of the approval of the project.
4. A Statement of Overriding Considerations [☐ was ☒ was not] adopted for this project.
5. Finding [☒ were ☐ were not] made pursuant to the provisions of CEQA.

This is to certify that the IS/MND and record of project approval are available to the General Public at: **The El Dorado Irrigation District**, 2890 Mosquito Road, Placerville, CA 95667.
