Riverside, CA 92501-0751

SUBJECT: Filing of a Notice of Exemption for Long Range Application No. LR20-0943 (PW020-10), Citywide Annual Maintenance Concrete Repairs Project FY 2020-21 – Located Citywide

Dear Ms. Anderson:

Enclosed is the Notice of Exemption for the above referenced project. In addition, pursuant to Assembly Bill 3158 (Chapter 1706) please find a check in the amount of \$50.00, for the County Administrative fee to enable the City to file the Notice of Exemption required under Public Resources Code Section 21152 and 14 California Code Regulations 1507. The City of Temecula is paying the \$50.00 filing fee under protest. It is the opinion of the City that the administrative fee has been increased in a manner inconsistent with the provisions of State Law. Under Public Resources Code Section 21152 and 14 California Code Regulations 1507, the County is entitled to receive a \$25.00 filing fee.

Also, please return a stamped copy of the Notice of Exemption **within five working days** after the 30-day posting in the enclosed self-addressed stamped envelope.

If you have any questions regarding this matter, please contact Sara Toma at (951) 506-5185.

Sincerely,

Luke Watson
Director of Community Development

Project Title: Long Range Application No. Long Range Application No. LR20-0943 (PW020-10), Citywide Annual Maintenance Concrete Repairs Project located citywide.

Description of Project: The citywide maintenance concrete repairs project is performed annually to repair various concrete facilities within the public right of way. The work involves the removal and in-kind replacement of existing curb and gutter, sidewalk/ramp panels, ADA access ramps, cross gutters, and curb outlets. Construction support activities such as traffic control and water quality compliance are included in the project. The Project does not add additional lanes or capacity to the roadway.

Project Location: This is a citywide annual maintenance concrete repairs project.

Applicant/Proponent: City of Temecula

The Community Development Director approved the above described project on August 6, 2020 and found that the project is exempt from the provisions of the California Environmental Quality Act, as amended.

Exempt Status: (check one)
