Project Description: (please use a separate page if necessary)

The project site occupies approximate 1.48 acres and is located on the former site of the Rio Vista Municipal Airport which is planned for reuse and redevelopment. The proposed project includes construction of two structures in two phases, with each structure being approximately 15,000 sf. The proposed project includes uses for cultivation and flowering, drying, trimming, storage, locker rooms, break room, conference room, hallways and corridors, and entry foyer and lobby. The proposed project would be accessed via Richard Brann Drive with one public access and on the north and an emergency access driveway on the south.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
