Project Title: Old Jarvis Road Irrigation Well Destruction Project

Project Applicant: Alameda County Water District

Project Location (include county): Don Edwards National Wildlife Refuge, Newark CA, Alameda County

## Project Description:

ACWD proposes to properly destroy two abandoned irrigation wells that are potentially acting as pathways for saltwater intrusion into the lower drinking water aquifers. Any debris or equipment within the two wells will be removed, the existing well casing perforated, and the casing will be backfilled with a neat cement sand slurry mixture. The upper portion of the casing will be removed and the resulting hole will be filled to grade with native material. +

This is to advise that the Alameda County Water District has approved the above
