**NOTICE OF DETERMINATION
FOR AN ENVIRONMENTAL IMPACT REPORT FOR THE BLOSSOM HILL
STATION PROJECT
(SCH# 2020100005)**

Lead Agency: City of San José

Project Applicant: Green Republic Blossom Hill, LLC, 84 West Santa Clara Street, Suite 600,
San José, CA 95113, (408) 292-1601

Project Title: Blossom Hill Station Project

Project Description: Demolition of existing surface parking, removal of 55 ordinance-sized trees and 14 non-ordinance sized trees, construction of one six-story mixed-use building with 13,590 square feet of commercial space and 239 market rate multi-family residential units, construction of one five-story multi-family residential building with 89 affordable housing units, and improvements and extension of the Canoas Creek Trail. The applicant also seeks a Tentative Map approval for the subdivision of one lot into five lots on a 5.39-gross acre site.

Location: 605 Blossom Hill Road; approximately 300 feet east of Chesboro Avenue

Assessor's Parcel No: 464-22-032

Council District: 10

The City has performed an environmental review for this project which examines the nature and extent of any adverse effects on the environment that could occur if this project is approved and implemented. Based on the review, the City prepared an Environmental Impact Report (EIR) for this project. The EIR identified that implementation of the project would result in significant and unavoidable impacts on transportation, and potentially significant impacts on air quality, biological resources, cultural resources, hazards and hazardous materials, and noise and vibration. The project is not located on any of the list of hazardous sites under Section 65962.5 of the Government Code.

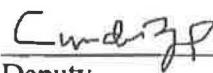

This is to advise that the City Council of the City of San José approved the above-described project on August 24, 2021 and the made the following determinations regarding such project:

1. A Draft EIR was prepared for this project pursuant to and in compliance with the provisions of CEQA.
2. A First Amendment to the Draft EIR was prepared that included responses to comments received during the public comment period.
3. The First Amendment and the Draft EIR together comprise the Final EIR for the project.
4. The Final EIR concluded that implementation of the project could result in certain significant effects on the environment and identified mitigation measures that would reduce each of those significant effects to a less than significant level.
5. The Final EIR also concluded that significant effects of the project would not be reduced to less than significant levels despite the application of mitigation measures.
6. A Mitigation Monitoring and Report Program (MMRP) was prepared and adopted for the project.
7. The Planning Commission of the City of San José reviewed the Final EIR and recommended to the City Council that the FEIR was completed in accordance with the requirements of CEQA, and further recommended the City Council adopt a resolution certifying the Final EIR.
8. The City Council of the City of San José independently reviewed and analyzed the Final EIR and other information in the record and adopted a Statement of Overriding Considerations for those impacts not reduced to less than significant levels.
9. The City Council of the City of San José has certified the Blossom Hill Station Project Final EIR, in accordance with CEQA, as amended.

The Final EIR and the record of project approval may be examined at the City of San José, Department of Planning, Building and Code Enforcement, 200 East Santa Clara Street, 3rd Floor Tower, San José CA 95113-1905. This notice is in compliance with Sections 21108 and 21152 of the Public Resources Code.
