Project Description: *(please use a separate page if necessary)*

The City of El Paso de Robles (City) is proposing the 6th-cycle Housing Element (2021–2028) as an update to the City’s current (5th-cycle) Housing Element that was adopted in October 2014. The City’s Housing Element is a mandatory General Plan element that is due to be updated every 5–8 years by state law. The City’s goal for this undertaking is to achieve certification of its Housing Element for the 6th-cycle (2021–2028 reporting period) by the State Department of Housing and Community Development (HCD).

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
